**Date: 22.03.2018**

**Sub:** Prototype approval of Dampers for FIAT Bogies manufactured by M/s G.B.Equipment Systems Ltd., Dehradun.

**Ref:** RCF's developmental purchase order no. 01X160897-T1710023 dated 17.04.2017

RCF has placed developmental order on M/s G.B.Equipment Systems Ltd., Dehradun for supply of dampers used on FIAT bogies. Accordingly, type tests and routine tests of Primary Vertical damper(LW05102), Secondary Vertical Damper (LW05101), Secondary Vertical Dampers for LHB NON-AC (LG05102), Secondary Lateral Damper (LW05100), Yaw Damper (LW05103) have been carried out by Design representative and found in conformance to drawings and specifications.

The prototype samples of above five types of dampers submitted by M/s G.B.Equipment Systems Ltd., Dehradun are approved. Firm may be asked to manufacture and supply the material for bulk quantity as per drawing & specification. However other terms and conditions of purchase order will remain same.
